Monterey Park, CA 91754-2169

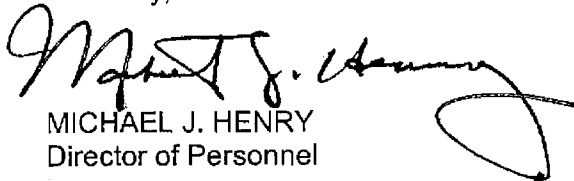

Dear Sergeant Blume:

This is in response to your request that the Department of Human Resources review the proposed Master of Arts degree curriculum in Organizational Leadership to be offered by the Woodbury University.

We have reviewed the list of courses which you provided to us, and have determined that this major will be accepted as an accredited degree related to Business Administration and Public Administration in Los Angeles County examinations requiring such degrees. We agree that the Organizational Leadership degree would be appropriate, not only for Sheriff's Department personnel, but for employees of any county department. We, therefore, concur with your evaluation that the major courses in the curriculum for the Organizational Leadership degree are accredited.

You may call Mr. Apeles at (213) 738-2244, if you have any questions.

Sincerely,

MICHAEL J. HENRY  
Director of Personnel
